CIRCUS

Playing for life circus skills is 7 week taste of the best of circus, at the end of which children will feel confident enough to perform their own circus show. The children will learn a range of skills that are used in circuses, including juggling, balancing, skipping and hula hooping. Circus skills uses the essence of circus, that is, fun, playfulness, skills and teamwork, to help participants embrace being active, cooperative and creative.

HOCKEY

Playing for life hockey is a 7 week introduction to basic skills of the game in a controlled safe environment. The modified hockey rules are very simple and a special lighter than normal hockey ball and stick is used. The children will learn a range of ball handling skills such as dribbling, drag, trap, tackle and passing skills such as grip, pass, hit, push and leading.
